Product description

Manufacturer identification: Schneider Electric Industries SAS
Brand name: Schneider Electric
Product function: Protect electrical equipment against the direct or indirect effects of lightning or against transient overvoltage.
Product reference: A9L40601
Additional similar product references: A9L40601
Total representative product mass: 403.4
Representative product dimensions: 90mm x 72mm x 70mm
Date of information release: 10/2016

Additional information

Legal information: The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.

Recyclability potential: 37%
