### Product description

**Manufacturer identification**
Schneider Electric Industries SAS

**Brand name**
Schneider Electric

**Product function**
The Altivar Machine ATV320 drive is a variable speed drive for three-phase asynchronous and synchronous motors.

**Product reference**
ATV320D15N4B

**Total representative product mass**
7000 g

**Representative product dimensions**
404mm x 180mm x 232mm

**Accessories**
No accessories needed.

**Date of information release**
01/2018

### Additional information

**Legal information**
This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.

**In case of special transportation: transportation method**
No special transportation.

**Recyclability potential**
