Product End-of-life Instructions

Thermostats

Marketing Model/Name: 10A, electronic floor thermostat with external sensor.

Covered subrange: S520507, S530507

Size H x L X D in mm:  
51 x 74 x 74

Weight in g:  
Between 200 and 205

# Product End-of-life Instruction

## Purpose

The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.

## Note

This product family is not in the scope of EU directive 2002/96/EC, Waste Electrical and Electronic Equipment (WEEE).

## Operations recommended for the end of life treatment

There are several steps to process the products at the end of life so as to recover components, materials or energy : Reuse → Separation for special treatment → Other dismantling → Shredding.

**The components of the products that optimize the recycling performances are listed, identified and located hereunder.**

Recommendation	Number on drawing	Components	Weight (g)	Comment
Dismantling for special treatment	1	PCBA	36	Electronic card
Dismantling for special treatment	2	Sensor cable	135	Sensor cable
