

APC SurgeArrest

P6WU2

Stay connected throughout life's journeys

Power disturbances such as surges, lightning, and power grid fluctuations can have a devastating impact on the valuable electronics you rely on every day. However, with the APC SurgeArrest Essential P6WU2 protecting your computer, mobile devices, and other household electronics, you can have the peace of mind to know that all of your equipment has guaranteed protection from damaging power surges and spikes.

Catastrophic event protection:

Safeguards against lightning, surges, and spikes. Reliable thermal fusing helps ensure safe operation under all conditions, protecting your equipment.

Charge and protect: Two 2.4A USB ports allow you to charge smartphones, tablets, cameras, portable gaming consoles and any other USB powered device.

\$50,000 Lifetime equipment protection policy: Multi-stage suppression circuitry and connected equipment insurance from the industry leader in power protection ensures life-long peace of mind.

Building wiring fault indicator: Warns of potentially dangerous wiring problems in the wall circuitry.
