

# 70 – 600A ASCO Service Entrance Transfer Switches

## Need a higher Withstand Closing Rating (WCR)?

Starting **1 April 2024**, there will be no need to add an accessory to get a higher WCR rating. The higher WCR rating will come standard at no additional cost!

Check out these ratings:

Standard Service Entrance Transfer Switch Ratings							
Frame	Amperage	240VAC		480VAC		600VAC
