

# Cisco HyperFlex Reference Design

Purpose-built and pre-validated solutions for Cisco Hyperflex Enterprise platform and Cisco HyperFlex platform for SMB and Remote Office / Branch Office space.

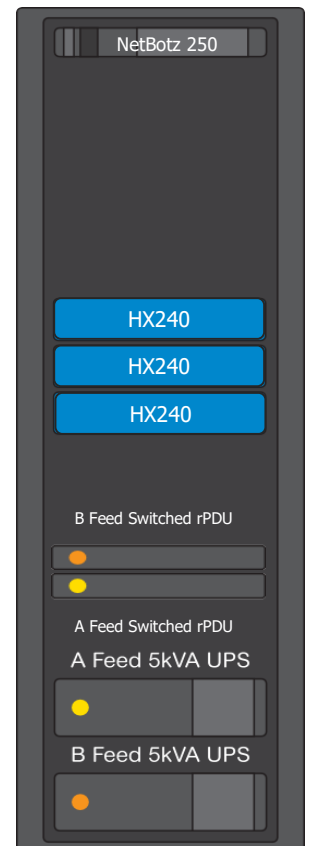

Dramatically simplify daily operations of your hyperconverged infrastructure. Integrated data management functionality for applications includes instant provisioning, cloning, snapshots, replication for disaster recovery protection, and data-at-rest encryption.

## Enterprise Solution

Enterprise class solution for data center environments

| Enterprise Solution Details |   |   |
|-----------------------------|---|---|
| Cisco HyperFlex             | 3 | HX240   |
| Rack                        | 1 | AR3100SP NetShelter SX <b>42U</b> with Shock Pallet                                   |
| UPS                         | 2 | SRT5KRMXL Smart UPS 5000VA RM 208V *  |
| rPDU                        | 2 | AP8941 Rack PDU, Switched Zero U, 30A, 200/208V, (21) C13 & (3) C19 *                 |
| Power Cord Kit              | 1 | AP8706S-NA Power Cord Kit (6 ea), Locking, C13 to C14, 1.8m, North America *          |
| NetBotz 250                 | 1 | NBACS125 NetBotz 125kHz Rack Access Control   |
| Cable Management            | 1 | AR8429 Horizontal Cable Organizer 1U with Brush Strip                                 |
| Blanking Panels             | 1 | AR8136BLK Toolless Airflow Management Blanking Panel –Qty 10                          |
| Options                     |   |   |
| Software                    |   | StruxureWare Data Center Expert and Operation<br>EcoStruxure IT Expert and IT Advisor |
| Services                    |   | LifeCycle Services  |
| Office Rack Solution        |   | NetShelter CX Product Family  |

## Complete Products

APC by Schneider Electric provides a complete data center physical infrastructure and management software in a single self-contained and secure enclosure for converged and hyperconverged architectures, allowing organizations to simply and efficiently deliver a complete and highly energy-efficient IT solution that is pre-tested, optimized, and able to be rapidly deployed.

# Certainty in a Connected World

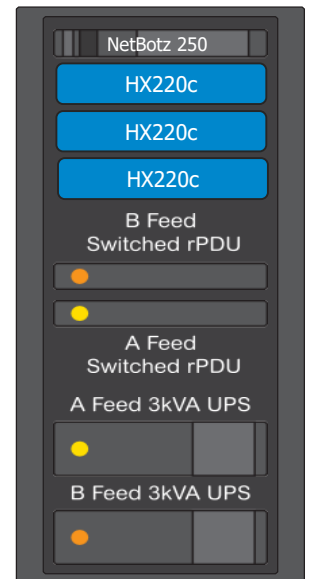

APC's proven industry leadership and collaborative technology provide integrated solutions for the transformation of IT. These solutions enable connectivity, reliability, and accessibility through validation and certifications with the largest IT vendors and alliances.

## Remote Office/Branch Office and SMB Solutions

For smaller, distributed IT environments outside of the data center

| Remote/Branch/SMB Solution Details |   |   |
|------------------------------------|---|---|
| Cisco HyperFlex                    | 3 | HX220c  |
| Rack                               | 1 | AR3104SP1 NetShelter SX <b>24U</b> with Shock Pallet                                  |
| UPS                                | 2 | SMX3000RMLV2UNC Smart UPS X 3000VA Rack/ Tower LCD 100-127V with Network Card *       |
| rPDU                               | 2 | AP7902B Rack PDU, Switched 2U, 30A, 120V, (16)5-20 *                                  |
| NetBotz 250                        | 1 | NBACS125 NetBotz 125kHz Rack Access Control   |
| Cable Management                   | 1 | AR8429 Horizontal Cable Organizer 1U with Brush Strip                                 |
| Power Cord Kit                     | 1 | AP9891 Power Cord Kit (5 ea), C13 - 5-15P, 0.6m *                                     |
| Blanking Panels                    | 1 | AR8136BLK Toolless Airflow Management Blanking Panel – Qty 10                         |
| Options                            |   |   |
| Software                           |   | StruxureWare Data Center Expert and Operation<br>EcoStruxure IT Expert and IT Advisor |
| Services                           |   | LifeCycle Services  |
| Office Rack Solution               |   | NetShelter CX Product Family  |
