

Stay ahead in the digital world with our Ecommerce Certification

mySchneider IT Partner Program

Let's grow together

With the mySchneider IT Partner Program, there are many revenue-generating opportunities for your Ecommerce business

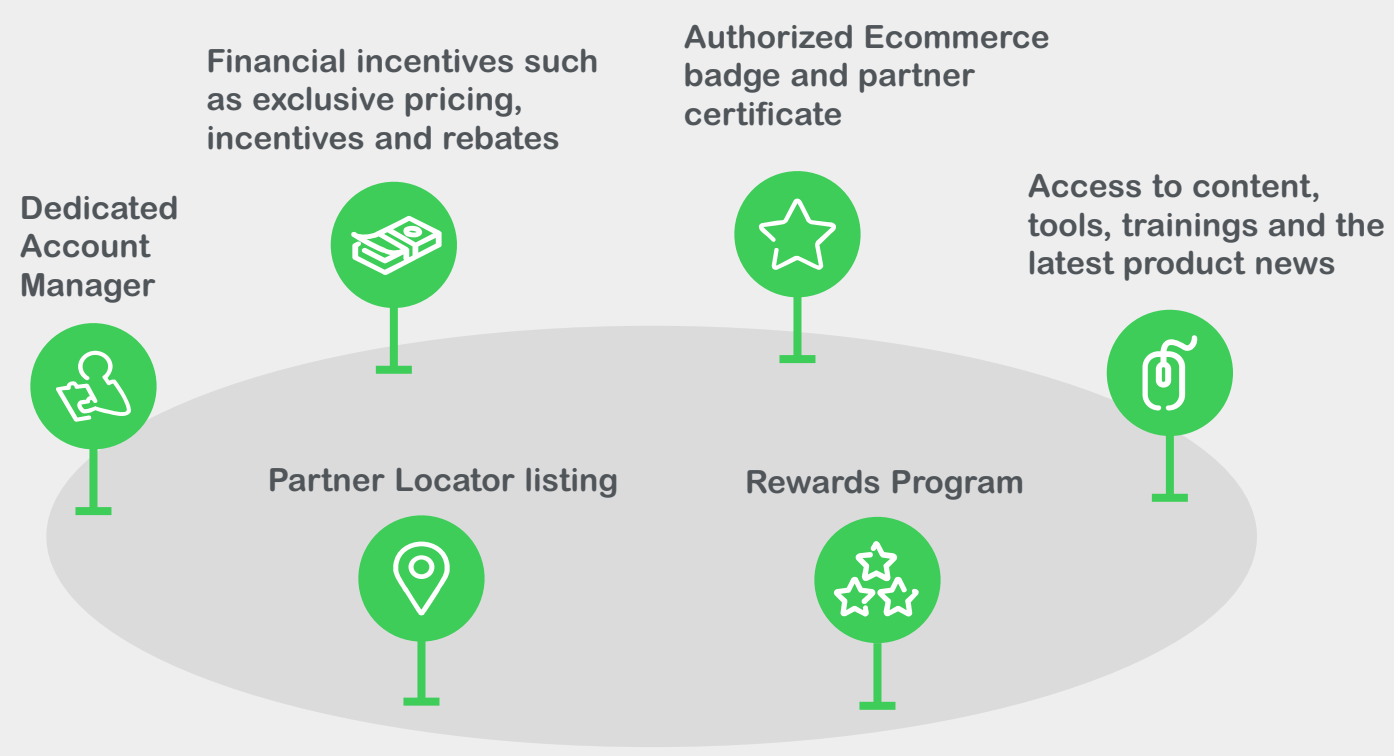

Our Ecommerce Certification, tailored to your business competencies and size, offers 3 program levels: Select, Premier and Elite. The higher the level, the greater your access to program benefits.

| | Ecommerce | | |
|---------|-----------|---|---|
| Elite | ✓ | ✓ | ✓ |
| Premier | ✓ | ✓ | |
| Select | ✓ | | |

What's in it for your company

Out of the many tools and resources available to our partners, key benefits include:

How to get started

Application is quick and easy. Send us your company details and contact to ecom.europe@se.com to have an assessment meeting online with our team and define if you're eligible to join the program and get certified in Ecommerce.

Requirements across levels include:

- Digital presence in the local market
- eProcurement platform
- Expertise and competency in IT products
- IT categories included in the portfolio
- Up-to-date product detail pages or product catalog
- Performance and engagement
