

# Public Sector Program 2023

The mySchneider IT Partner Program provides competitive pricing for our Partners selling to public sector end users.

## Objectives

- Support partners selling into the competitive and fragmented public sector marketplace
- Help partners maintain healthy margins
- Stock availability locally
- Aid differentiate partners that invest and specialize in public sector, with improved engagement & discounts

This program provides access to an extensive variety of sales, marketing, training, and support resources, making it easier for partners, specialising in the public sector.

## Offer

To aid our Partners selling to public sector end users, we are currently offering up to

**10% of all public sector opportunities for partners enrolled in the mySchneider IT Partner Program**, through your preferred Schneider Electric IT Distributor.

**Terms & Conditions:** Promotion savings up to 10% available to public sector end user customers only | No minimum value | Speak to your local preferred Distributor for actual pricing and availability | Not to be used in conjunction with any other offer | Schneider Electric reserves the right to terminate this offer without prejudice or prior notice
