# STRATO 800 SERIES

## GENERAL INSTRUCTIONS

- It is illegal for persons other than those authorised by legislation to work on the fixed wiring of any electrical installation.
- All installations must be in accordance with local and state Electrical Wiring Regulation and Building Codes of Practice.
- CLEANING - To clean, simply use a cloth dampened with water only. Cleaning agents are not recommended as their use may harm the product and void warranty claims.

## FITTING INSTRUCTIONS

1. Modular accessories can be wired before or after clipping into a Grid.

2. Modules should be clipped into Grids before screwing product to the wall.

3. Once the Grid is firmly attached to the wall the cover can be clipped into place.
