

Glasgow, MT Water Treatment Plant

Glasgow is part of Valley
County, located in Northeast
Montana.

The City of Glasgow requires upgrade of their water treatment system to accommodate the needs of the community. ASCO provided solutions that support the operations of the water treatment plant.

Application

- New Water treatment Plant for a Rural Area of Montana

Challenges

- Growing needs require water treatment quickly

Solution

- ASCO – Low Voltage Automatic Transfer Switches, as well as Automatic Transfer Switch integral to SquareD Switchboard
- SquareD - Low Voltage Distribution

Benefits

- ASCO/SquareD drove specs with integrated ATS and Switchboards
