 See next page(s)

A sample of the product was tested and found to be in conformity with INST EN 60998-2-1:2004

Replaces This certificate replaces previous certificate No. P09210798, due to updating rated voltage.

Validity This certificate documents conformity with the standards shown, and also applies as license for use of Nemkos name and certification mark. The certificate and license is valid as long as the applicable conditions are complied with, and provided that any changes to the product are notified to Nemko for acceptance prior to implementation. New standards or amendments to the standards may imply that the product design must be updated and/or that re-testing and re-certification is necessary
