Dear Edison,

CERTIFICATE OF APPROVAL OF ELECTRICAL EQUIPMENT

With respect to your recent application for electrical product certification please find enclosed the issued Certificate.

Please take the time to check the certificate and ensure all details are correct in accordance with your requirements.

You are reminded that declared electrical equipment for which a certificate of approval has been issued is required to be clearly and indelibly marked with the regulatory compliance mark (RCM) in accordance with its conditions of use as set out in AS/NZS 4417.1 and may be marked with the approval marking as specified on the certificate.

Please note that if the electrical product is modified in any way you are required to notify us of the detail(s) of the modification(s) and not offer the product for sale until the modified product is certified. In this regard, please complete and submit form EPCS-F01 detailing the changes to us.

Should you have any queries please contact us.

Yours sincerely,

per Business Manager / EPCS
