Dear Ngoc,

CERTIFICATE OF APPROVAL OF ELECTRICAL EQUIPMENT

Enclosed is the Certificate of Approval in respect to your recent application for certification received by SGS Electrical Product Certification Services (EPCS).

Please take the time to check the certificate and ensure all details are correct in accordance with your application.

You are reminded that prescribed electrical equipment for which a certificate of approval has been issued is required to be clearly and indelibly marked with either

- a) the required marking as specified on the certificate or
- b) the regulatory compliance mark (RCM) in accordance with its conditions of use as set out in AS/NZS 4417.1.

Please note that it is a requirement that if you modify the electrical equipment in any way, you are required to notify EPCS of the details of the modifications for approval. You should complete and submit form EPCS-F01, detailing the changes.

Should you have any queries, please contact SGS Australia Pty Ltd - Consumer Testing Services Electrical Laboratory or myself.

Yours sincerely,

Darren McNamara
Manager – SGS Electrical Product Certification Services
SGS Systems & Services Certification Pty Ltd

Certificate No.: SGS/150142

CERTIFICATE OF APPROVAL

This certificate is issued to confirm that **SGS Systems & Services Certification Pty Ltd** (Electrical Product Certification Services (EPCS) Australia) as accredited by JAS-ANZ in accordance with ISO/IEC Guide 65 has certified the article described herein.
