LED Downlights
LD Series

Designed for high output and efficiency
With a stylish frosted lens finish and dimmable driver, Clipsal by Schneider Electric’s range of affordable LD Series LED Downlights combine style with substance.

**Smooth dimming**
Specifically designed and tested to work together with the Clipsal 32E450 Universal Dimmer series, LD Series LED Downlights overcome the frustration of flickering and lag caused by incompatible products.

This built-in compatibility will satisfy the highest expectations from the day they are installed and for many years to come.

**Energy efficiency**
While providing a high lumen output suitable for general lighting, the LD Series is also an extremely energy-efficient option that will assist in reducing operating costs.

**Stylish design**
With their attractive recessed fitting and a clean frosted diffuser to ensure maximum light spread, LD Series LED Downlights not only perform brilliantly, they look fabulous while they’re doing it.

30,000 hours lifespan

**11W LED Downlight**
Cut-out Ø88mm

Frosted diffuser offers greater beam spread.

Low profile heat sink, perfect for installation in restricted ceiling cavities.

LED Downlights

Frosted lens and recessed trim

**Built in compatibility**
Energy savings and reduced running costs

Long life
The inconvenience of regularly changing globes becomes a thing of the past. With a rated lamp life of 30,000 hours, the LD Series LED Downlights will pay for themselves many times over.

Specifications
- Dimmable with the Clipsal 32E450 Universal Dimmer Mech.
- Products available in two lamp temperatures: Warm White (3000K) or Cool White (4000K).
- High lumen output: 11W (600lm) and 15W (900lm).
- 30,000 hours rated lamp life to L70.
- Wide beam angle of greater than 150 degrees for large light spread.
- IP44 rated.

Frosted diffuser removes the visibility of individual LEDs.

Built-in wire guard for added protection against dust, insects and insulation.

Wide lip allows for easier retrofitting.
Take advantage of the energy savings that Clipsal LD Series LED Downlights have to offer.
