DESCRIPTION

Double Pole Horizontal Single Switched Sockets

**BOX QUANTITY**

694DP	10
694DP/15	5
694DPX	5

FEATURES

Double pole switch to control socket outlet.

694DPX has one removable double pole switch mechanism – 587M10.

Product styling matches other 600 Series products.

Large rockers match up with 600 Series switches.

Full arrangement of mounting points.

Sockets will accept existing metal cover plates (694MPB, 694MBBZ, 694MSS, 694XMPB, 694XMBBZ, 694XMSS)

APPLICATIONS

Relocatable Premises (including caravans and tents) and their site installations (AS/NZS 3001:2001).

Marinas and pleasure craft at low voltage (AS/NZS 3004:2002) Hospitals.

Temporary power supplies.

Premium electrical accessories for all installation situations.

Extra switch units allow for convenient placement of switches to control lighting and appliances, without the need for additional plates. Removable extra switch allows for different, specialist modules to be used – ID, intermediate, illuminating modules.
