### DESCRIPTION

White Mounting Block for 4 way Switched Socket Outlets

**BOX QUANTITY** 5

**OUTER QUANTITY** 50

### FEATURES

19mm deep mounting block specifically for 4 way switched socket outlets.

644 Horizontal 4 Outlet, Switched  
641 Vertical 4 Outlet, Switched  
Plus Neon, RCD ON, and 15Amp

Versions.

Allows room for conduit entry fittings.

Two versions available: one with a round adapter that suits 25mm conduit, and one with a rectangular adapter that suits 25.5mm x 16.5mm conduit.

Plenty of room for wiring.

Four knock-outs available.

Suits the standard 6-32unc screw thread.

A high gloss finish on the outer faces to compliment the switched socket outlets.

### APPLICATIONS

Mounting of 4 Way switched socket outlets, especially where entry room is required for conduit entries
