Wiring Details
Follow steps 1-2 under Installation and wire the Junction Box and Plug Assembly as seen below.

Figure 3: Wiring detail

Figure 4: Wiring diagram

Figure 5: Dimensions and mounting hole positions

Parameter | Value
---|---
Supply voltage and frequency | 250 Va.c., 50 Hz
Maximum current rating | 10 A
Cordset length | 300 mm
Conductors per terminal | 4
Size of supported cables | 0.75-1.5 mm²
Size | L160 x W67.55 x H59 mm
Safety compliance | AS/NZS 61535

Specifications typical @ 240 Va.c., 25 ºC

No user serviceable parts inside

Warranty Statement
The benefits conferred herein are in addition to, and in no way shall be deemed to derogate; either expressly or by implication, any or all other rights and remedies in respect to the product that the consumer has under the Commonwealth Trade Practices Act or any other similar State or Territory Laws.

The warrantor is Schneider Electric Australia Pty Ltd, 33-37 Port Wakefield Road, Gepps Cross, South Australia 5094.

This product is guaranteed against faulty workmanship and materials for a period of three (3) years from the date of installation.

Schneider Electric Australia Pty Ltd reserves the right, at its discretion, to either repair free of parts and labour charges, replace or offer refund in respect to any article found to be faulty due to materials, parts or workmanship.

This warranty is expressly subject to the product being installed, wired, tested, operated and used in accordance with the manufacturer’s instructions. Should the product that is the subject of the claim be found to be in good working order all costs incurred to replace the product shall be met by the claimant.

When making a claim the consumer shall contact the local Schneider Electric office and provide particulars of the defect within 28 days of the fault occurring. Return authorization is required before the product is sent to Schneider Electric. Returned items must be securely packed, complete with details of the date and place of purchase, description of load, and circumstances of malfunction.
