EC-CERTIFICATE OF CONFORMITY

0832 - CPD - 1394

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

EM210E-CZR Conventional zone monitor module with resistive end of line for use in fire detection and alarm systems

(For conditions of use for the product see the attached appendix)

placed on the market by

Pelco Finland Oy

Kalkkipellontie 6, P.O.Box 415, FIN-02601 Espoo, Finland

and produced in the factory

Pittway Tecnologica Srl.

Via Caboto 19/3, 34147 TRIESTE, Italy

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan. The initial type-testing for the relevant characteristics of the product, the initial inspection and continuous surveillance of the factory and factory production control has been performed under the control of the approved body BRE Global Limited.

This certificate attests that all provisions concerning the attestation of conformity (Level 1) and the performances described in Annex ZA of the standard(s)

EN 54 - 17: 2005 - Fire detection and fire alarm systems - Short circuit isolators
EN 54 - 18: 2005 - Fire detection and fire alarm systems - Input/output devices

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 10/5/2010 and remains valid as long as the product continues to be manufactured and the conditions laid down in the harmonised technical specification referenced or the manufacturing conditions in the factory or the FPC itself are not modified significantly and the required annual FPC assessments are maintained.
