Clipsal Iconic™

Range Overview

clipsal.com/iconic
Clipsal Iconic™ Collection

Introducing our next generation platform designed with electricians for electricians.
Clipsal Iconic™ is a modern electrical accessories range, based on a slim, sleek, clean design that is easy to customise and blends in with your environment.

It's loaded with clever features.

- **New game changing modular** mechs and grids with changeable skins and dollies for unrivalled customisation now and in the future.
- **With new ControlLink**, lights can be dimmed from multiple locations, plus you can link switches, dimmers, and time clocks together.
- **Locking bar** allows simple mech reorientation and sturdy locking for a fast, easy and secure install, reducing the risk of mech pushbacks.
- **Clipsal Iconic’s translucent edges** allow the skins to pick-up background colours for a design that blends in with any wall colour.
- **Clipsal Iconic’s Solid Edge Vivid White skins** are available in selected switches and sockets for a sleek, clean look.

Customisable and future-ready.

- **Innovative protective flaps** help prevent screw access after installation, allowing skins to be changed safely at any time.
- **Clipsal Iconic switches** are quick and easy to personalise with pictogram dollies that even your customers can change.
- **Bluetooth Low Energy** delivers simple configuration and control of dimmers, timers and time clocks via the Wiser Room App on your phone or tablet.
- **Clipsal Iconic is future-ready** allowing for style and function updates in the coming years.
New Functionality

Clipsal Iconic™ features changeable skins, innovative features and enhanced connectivity.

In this all-new platform, we’ve thought of everything including new sockets, switches, dimmers and timers, USB chargers, new safety features, Bluetooth Low Energy connectivity and more. We’ve also designed Clipsal Iconic with features that greatly simplify installation, and developed new products for safer, smarter homes.

All-new 40 mechs
Clipsal Iconic switches and electronic accessories feature the all-new 40 mechs designed for optimum flexibility in up to 6-gang grids. The grids make changing from vertical to horizontal orientation simple, and locking bars reduce the risk of mech pushbacks.

New innovations
Clipsal Iconic introduces a new 3-gang USB charger with shelf. A new Night Walk skin, which replaces the standard double socket skin, features an integrated motion sensor that switches on when it detects movement. LEDs illuminate the way when someone gets up at night, without disturbing others.

Clever efficiency
Clipsal Iconic electronic accessories deliver clever efficiency to the home. New Bluetooth Low Energy connectivity and our own ControlLink technology offer simple configuration and multi-way control. The Wiser Room app lets you configure it all exactly to your customer’s taste.

Enhanced connectivity
Clipsal Iconic includes a comprehensive range of options for all modern network connectivity requirements. With mechs for RJ45 networking, HDMI sockets and audio cable entry plates, you have everything you need for complete home networking.
Designed to Suit a Range of Décors

A range of skin colours
Clipsal Iconic offers unlimited flexibility to suit any interior design, with standard white skins, plus subtle colour variants that blend in with background wall colours.

Changeable skins
Clipsal Iconic grids and skins can be ordered separately. Innovative protective flaps help prevent screw access after installation, allowing skins to be changed safely at any time. That means, if a customer ever changes their mind, or would like skins of a new colour or style, they can change them by themselves any time they like.

Translucent and Solid Edge skin variations
Clipsal Iconic is available as standard with a translucent edge which picks-up background colours to blend in with any wall colour. Clipsal Iconic Solid Edge is available for selected Vivid White switches and sockets. This skin has a solid white edge for a clean and sleek look.

Colours that blend in
Clipsal Iconic offers three skin colour variants in addition to the standard Vivid White. Warm Grey is subtle and inviting, evoking relaxation with its sandy tones. Cool Grey is crisp and clean, enhancing cooler tones. Anthracite is deep and strong to blend in with richer, deeper wall colours.

Pictograms highlight functions
Clipsal Iconic has the option to personalise switches with icon dollies to make it easy to identify functions in multi-gang switches. You simply click out the plain dollies from the skins, and replace with pictogram dollies. There is a pictogram for a wide range of functions.

Optional skin colours
Easy skin changes

Sockets With a Difference

Clipsal Iconic™ features loads of new innovations like pre-mounted screws, protective flaps and in-line terminals.

- Hole centre indicators for using a 57mm hole-saw for installations
- Captive terminal screws to prevent them from coming out
- 84mm mounting centres fit standard mounting accessories
- Pre-mounted screws for faster fit off, O rings prevent screws dislodging during transportation
- In-line terminals for easy screw access and faster termination
- Metal plate for additional robustness
- Large terminals accommodating up to 4 x 2.5mm cables
- Clear cover showcasing the new Iconic terminal
- Strip length indicator

- Tapping pad for spirit level
- Safety message on the protective flaps clearly indicate they should only be opened by certified electricians
- Protective flaps help prevent direct access to the screws after installation
- Socket grids are safe when installed
- All sockets come with internal shutters providing additional protection

- Standard translucent edges allow the skin to infuse with the wall colour or alternatively selected Vivid White skins are available with a white solid edge for a clean, sleek look
- Slim 9mm profile blends in with the décor
- Wide space between sockets so it’s easy to fit larger plugs
- Green indicator so you know when it is switched on
- A soft touch matte finish for a premium look and feel
- Clear markings for easy amperage identification
Clever Switch Innovation

Clipsal Iconic™ grids feature new flaps, drill guides and 40 series mechs for easy installs and customisation.

- Locking bar helps to reduce the risk of mech pushbacks, and makes it easier to change or upgrade mechanisms.
- Metal plate for additional robustness.
- All electrical accessories are now available in the new Iconic 40M format.
- Pre-mounted screws for faster fit-off, O rings prevent screws dislodging during transportation.
- Protective flaps help prevent direct access to the screws after installation.
- Slim 7mm profile blends in with the décor.
- Pictogram dollies to personalise switches.
- Translucent edges allow the skin to infuse with the wall colour.
- A soft touch matte finish for premium look and feel.
- Optional warm white LEDs can be easily wired and set as locator or indicator.
- New hybrid screws are suitable for square drive, Phillips and flathead screwdrivers.
- Screwdriver notch to aid removal from locking bar.
Electronic Accessories

Clipsal Iconic™ electronic accessories are designed for clever functionality.

Electronic accessories fit Clipsal Iconic switch grids. Secured in place with the mech locking bar, they can be easily changed to suit vertical or horizontal orientation. The range includes rotary dimmers, push-button dimmers, electronic switches, timers, time clocks, PIR motion sensor and USB chargers.

**Rotary and push-button dimmers**
Clipsal Iconic electronic products include both push-button and rotary dimmers. Push-button dimmers offer multi-way dimming over standard wiring. The tactile push-button turns the load on/off or dims up or down. The Wiser Iconic Bluetooth dimmer offers superior LED dimming with app control and configuration. Rotary dimmers adjust light from 1-100% with configurable minimum brightness settings. They come with built-in, re-settable, short circuit and over-temperature protection, and are optimised for compatibility assurance with Clipsal TPDL series LEDs.

**Time clocks**
Clipsal Iconic time clocks are programmed via the Wiser Room app for 24 hour, 7 day scheduling. They’re ideal for scheduling operating times for appliances like towel rails, garden lights, or hot water booster elements, and can be set to automatically track with seasonal sunrise and sunset changes. Iconic Time Clocks also function as push-button timers providing extra functionality and ability to manually override schedules at any time.

**Electronic switches**
Clipsal Iconic electronic switches feature the same tactile ‘click’ feedback as the push-button dimmers when being operated. One click turns the switch on, and one click turns it off. The 3-wire 6A model offers simple in-room smart device app control.

**Timers**
Clipsal Iconic timers are available in three models. The 350-watt timer can be configured to popular durations. The 3-wire 6 and 10 amp models can be programmed by the Wiser Room app for 1 second to 24 hour adjustable time delay and run-on capability. They’re great energy savers for pantries, laundries and bathrooms.

**USB chargers**
Clipsal Iconic USB chargers have a patented rotatable head for easy reorientation. They also include a patented current management technology, which reduces the output current to prevent overheating while minimising charge times.

**PIR Motion sensor**
The Clipsal Iconic PIR sensor mech is simple to install and configure with front light level and timer adjustment. It is ideal for hands free lighting control in entry ways, WIR, pantry, hall ways or stairs.
With ControlLink and Bluetooth Low Energy for simple connectivity.

Multi-way dimming and switching control has become easy with Clipsal Iconic.

**ControlLink connectivity**
ControlLink allows for multi-way control of groups of lights, and for dimmers and time clocks to work together for enhanced functionality.

**Wiser Room app**
Clipsal Iconic three-wire electronic products can be configured and controlled via the Wiser Room app on most tablets or phones to perform programmed tasks like:
- Switch and dim lights with configurable schedules
- Exhaust fan run-on after bathroom lights have been switched off
- Operate heated towel rails and/or lights on 24hr/7day schedules
- Automatic seasonal sunrise and sunset tracking
- It's also easy to reset everything to your original set point

**Bluetooth Low Energy (BLE)**
Clipsal Iconic 3-wire mechs connect to the Wiser Room app via Bluetooth Low Energy. BLE minimises energy consumption, connecting only when required and does not require any gateway devices.

**Connectivity without complexity**
ControlLink and BLE together offer unprecedented flexibility. ControlLink uses standard wiring and BLE is available on most phones and tablets for connectivity.
Network Connectivity

Clipsal Iconic™ includes a wide range of network connectivity products for a professional home network.

Clipsal Iconic has a broad offer for home data, TV and audio connections, allowing you to easily meet customer requirements for networking, audio and video installations.

Audio, video and networking
Clipsal Iconic includes a wide range of audio, visual and networking mechs to suit any home application. TV’s can be connected to gaming consoles, IPTV and Pay TV boxes through F-Type, PAL and HDMI mechs. Sound systems can be connected via RCA mechs and RJ45. RJ45 mechs can be used for connecting all the smart devices to the home network.

Flexibility of 40 mech grids
No two home networks are the same, which is where the new range of audio, video and networking mechs make every set-up simple and easy. You can use combinations of mechs in up to 6-gang grids, ensuring that a broad range of end user requirements are met with the Iconic range.

Actassi data networking
Our Actassi data range is a complete networking solution including Cat5e, Cat6 and high performing Cat 6A mechs. Cat5e is ideal as a start for most home networking solutions, while Cat6 provides peace of mind with more reliable speed and bandwidth. Cat6A is our high-end solution for large and demanding applications.

Cable Entry Plate
The Clipsal Iconic Cable Entry Plate is a cost effective way to allow cables to pass through cleanly and easily and are ideal for placing behind TVs to ensure the cables are kept secure and hidden.

Dollies

Clipsal Iconic switches come standard with plain dollies, which you can customise with optional pictogram dollies.

40FR-VW  Dolly Rocker, marked FAN
40LR-VW  Dolly Rocker, marked LIGHT
40HR-VW  Dolly Rocker, marked HEAT
40FRR-VW  Dolly Rocker, marked FRIDGE
40SR-VW  Dolly Rocker, marked SENSOR
40MR-VW  Dolly Rocker, marked MICROWAVE

40AMR-VW  Dolly Rocker, marked AUTO MANUAL
40ACR-VW  Dolly Rocker, marked AIRCON
40ALR-VW  Dolly Rocker, marked ALARM
40BD1R-VW  Dolly Rocker, marked BED 1
40BD2R-VW  Dolly Rocker, marked BED 2
40BD3R-VW  Dolly Rocker, marked BED 3

40BD4R-VW  Dolly Rocker, marked BED 4
40BD2R-VW  Dolly Rocker, marked BED 2
40ACR-VW  Dolly Rocker, marked BLANK

40Z1R-VW  Dolly Rocker, marked ZONE 1
40Z2R-VW  Dolly Rocker, marked ZONE 2
40Z3R-VW  Dolly Rocker, marked ZONE 3
40LOR-VW  Dolly Rocker, marked LOUNGE
40AR-VW  Dolly Rocker, marked BLANK

40BD4R-VW  Dolly Rocker, marked BED 4
40Z1R-VW  Dolly Rocker, marked ZONE 1
40Z2R-VW  Dolly Rocker, marked ZONE 2
40Z3R-VW  Dolly Rocker, marked ZONE 3
40LOR-VW  Dolly Rocker, marked LOUNGE
40AR-VW  Dolly Rocker, marked BLANK

49MLBL-VW  Dolly Toggle, marked SON-AOM-UOD
40RSM3KB  Dolly Rotary, marked OFF-1-2-3, 4 colours
40RSM2KB  Dolly Rotary, marked OFF-1-OFF-2, 4 colours
49T-VW  Dolly Toggle, 3 Position, BLANK

Note: Not all pictogram dollies are compatible with every switch. Available in packs of 10.

Accessories

Clipsal Iconic range suits existing mounting accessories with the addition of the new 4-gang socket wall bracket (3155H4), wall box (3157/4PRM) and mounting block. We have also developed a new range of mounting blocks for single gang switches and sockets. Like the shallow optimum mounting block (3000SM-VW), the deep optimum mounting block (3000DM-VW) and the standard mounting block (449AB-VW).
Network Connectivity

The Clipsal Iconic™ network connectivity offer includes all common connector options for the modern networked home.

**Audio Connectors**

RCA sockets for stereo speaker cables.

- 40BC/2-TN
  Banana Audio Connectors RD + BK
- 40SPK/2-TN
  RCA Audio Connectors RD+BK

**HDMI Sockets**

Ideal for organising HDMI communications cables.

- 40HDMIA-TN
  HDMI Socket Angled Rear
- 40HDMIS-TN
  HDMI Socket Straight Rear
- 40RJ64SMT-TN
  Cat 3 Telephone Connector RJ12

**Telephone Sockets**

For organising telephone cables.

- 40ADPKS-TN
  Adaptor RJ Tyco Krone Siemon, 10Pk
- 40ADPSY-TN
  Adaptor RJ Systimax AT&T, 10Pk
- 40RJ45SMA5SH-TN / PK
  Cat 5E Connector RJ45, Shuttered, Unshielded
- 40RJ45SMA6SH-TN
  Cat 6 Connector RJ45 Shuttered Unshielded
- 40RJ45SMA6AS-TN
  Cat 6A Connector RJ45 Shuttered Unshielded
- 40RJ45SMA6-TN
  Cat 6 Connector RJ45 Unshielded
- 40RJ45SMA5A-TN
  Cat 5A Connector RJ45

**Cable Entry Plates**

Clipsal Iconic cable entry plates keep cable connections tidy.

- 3040CEP-VW
  Cable Entry Plate

**Clipsal 40 Mech Adaptors**

- 40BF177AXB10TN
  Cat 6A Connector RJ45 Shielded DPM 10Pk
- 40RJ45SMA5A-TN
  Cat 5A Connector RJ45

**Actassi RJ45 Sockets**

High Performing RJ45 Sockets for connecting your home Network

- 40RJ45SMA5-TN
  Cat 5E Connector RJ45 Unshielded
- 40RJ45SMA5SH-TN / PK
  Cat 5E Connector RJ45, Shuttered, Unshielded

**Actassi RJ45 Sockets (cont’d)**

- 3041TV75F-VW
  TV Socket PAL Front, F-Type Rear, 1G Plate
- 40FFPMS-TN
  TV Socket PAL Front, F-Type Rear
- 40PFM-TN
  TV Socket F-Type Front, F-Type Rear

Audio Connectors

Cable Entry Plates

HDMI Sockets

Telephone Sockets

Clipsal 40 Mech Adaptors

Actassi RJ45 Sockets (cont’d)
Electronic Accessories

Clipsal Iconic™ electronic accessories offer clever functionality to the home.

**Push-button Dimmer**

Offers multi-way push-button switching and dimming with app control and configuration (3-wire model).

- **41E300PBU2SM-VW**
  - Push-button Universal Dimmer 300W 2-wire, with ControlLink
- **41EPBDWCLM-VW**
  - Push-button Wiser LED dimmer with BLE, app configuration, universal tech, 300W, 3-wire, with ControlLink

**Rotary Dimmer**

Available in LED and universal models, offering adjustable minimum brightness to suit LED and many other loads.

- **42E350RLD2M-VW**
  - Rotary LED Dimmer 350W, 2-wire
- **42E350RUD2M-VW**
  - Rotary Universal Dimmer 350W, 2-wire

**Time Clocks**

Can be programmed with the Wiser Room app for 24hr/7day scheduling.

- **41E6PBT3SBM-VW**
  - Push-button Time Clock, 24/7 scheduler 6AX, 3-wire with app config
- **41E10PBT3SBM-VW**
  - Push-button Time Clock, 24/7 scheduler, 10AX/15A, 3-wire with app config

**Timers**

Can be programmed by the push-button or via the Wiser Room app (3-wire models).

- **41E6PBT3SBM-VW**
  - Push-button Timer 6AX, 3-wire, with app config
- **41E10PBT3SBM-VW**
  - Push-button Timer 10AX/15A resistive, 3-wire with app config
- **41E350PBT2SM-VW**
  - Push-button Timer 350W, 2-wire, with ControlLink

**ControlLink Mechs**

Remote mech uses standard wiring to provide multi-way dimming and switching control for compatible ControlLink electronic mechanisms.

- **41EPBM-VW**
  - ControlLink Remote Push-button momentary switch
- **41EPBCLM-VW**
  - Smart remote Push-button ControlLink mech with LED indicator

**PIR Motion Sensor**

PIR motion activated sensor mechanism for hands free lighting control.

- **41EPIRM-TN**
  - PIR motion sensor, 150W LED, 3-wire, 5m range
Electronic Accessories (cont’d)

USB Chargers

Single and double USB charger mechs.

40E1USBM-VW Single USB charging mechanism 1.5A
40E2USBM-VW Dual USB charging mechanism, 2x2.1A (3.1A max)

Electronic Switch

Provide tactile feel push-button electronic switching with App Control (3-wire model)

41E350PBES2SM-VW Push-button Electronic Switch 350W, 2-wire, with ControlLink
41E6PBES3SBM-VW Push-button Electronic Switch 6AX, 3 wire, with app control

Caps and Accessories

All accessories available in Clipsal Iconic optional colours*.

40APB* Push-button parts pack assembly, Blank
40EDIMKB* Rotary Dimmer Knob Parts Pack
40E1USBCAP* Mechanism Cap to suit single USB charger
40E2USBCAP* Mechanism Cap to suit Dual USB charger

* Available in
- Vivid White (VW)
- Warm Grey (WY)
- Cool Grey (CY)
- Anthracite (AN)
