All Rotary Handle for Compact NSX100 to 630A
Product overview

Product Range: All Rotary Handle for Compact NSX100 to 630A

Marketing Model/Name:

This range consists of:
- All direct rotary handle for Compact NSX 100 to 630A
- All extended rotary handle for Compact NSX 100 to 630A

Size: H x L x D in mm = 140 x 150 x 560

Weight in g = 982 g

Purpose

The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.

Note:

This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE).

Operations recommended for the end of life treatment

There are several steps to process the products at the end of life so as to recover components, materials or energy:

Reuse → Separation for special treatment → Other dismantling → Shredding
The components of the products that optimize the recycling performances are listed, identified and located hereunder.
