Total representative product mass	263 g
Representative product dimensions	90 x 220 x 25 mm
Accessories	NA
Date of information release	12-2025

## Additional information

<b>Legal information</b>	<p>This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.</p>
<b>In case of special transportation: transportation method</b>	<p>NA</p>
<b>Recyclability potential</b>	<p><b>0%</b> The recyclability rate was calculated from the recycling rates of each material making up the product based on REEECY'LAB tool developed by Ecosystem, for components/materials not covered by the tool, data from the EIME database and the related PSR was taken. If no data was found a conservative assumption was used (0% recyclability).</p>
