Marketing Model
TSXMRPC48K

Size in mm:
H x L x D : 50 x 100 x 5

Weight (excluding packaging) in g:
Around 100
Operations recommended for the end of life treatment

There are several steps to process the products at the end of life so as to recover components, materials or energy:

Reuse ⇔ Separation for special treatment ⇔ Other Dismantling ⇔ Shredding

The components of the products that optimize the recycling performances are listed, identified and located hereunder.
