Product

End-of-Life

Instructions

POCKET BATTERY FOR MICROLOGIC
Product overview

Product Range: NSX 40A to 630A
Marketing Model/Name: LV434206
Size: H x L x D = 30 x 61 x 100 mm
Weight: 
  with battery = 149 g
  without battery = 98.5 g

Purpose

The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.

Operations recommended for the end of life treatment

There are several steps to process the products at the end of life so as to recover components, materials or energy:
  Reuse ➔ Separation for special treatment ➔ Other dismantling ➔ Shredding

The components of the products that optimize the recycling performances are listed, identified and located hereunder.
