Size in mm:
H x L x D : 76 x 90 x 175

Weight (excluding packaging) in g:
514
There are several steps to process the products at the end of life so as to recover components, materials or energy:

- Reuse
- Separation for special treatment
- Other Dismantling
- Shredding

The components of the products that optimize the recycling performances are listed, identified and located hereunder.
