

# Product End of Life Instructions

**Encoder cable SH3 TO LXM52/62, M23, UL, 5m**

## End of Life Instructions

Recommendation	Number on drawing	Component / Material	Weight (in g)	Comment
To be depolluted	1	Cable (high current)	60	
Other			324	

## Product description

Manufacturer identification	Schneider Electric Industries SAS
Brand name	Schneider Electric
Product function	The encoder cable is a 5-meter encoder cable designed to connect SH3/MH3 servo motors with Lexium 52 or Lexium 62 servo drives. It transmits encoder signals for precise motor feedback, enabling accurate motion control. This robust cable ensures reliable communication in demanding industrial automation and servo drive applications.

Total representative product mass	384 g
Representative product dimensions	5 meter
Date of information release	24/09/2025

## Additional information

<p><b>Legal information</b></p>	<p>This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.</p>
<p><b>Recyclability potential</b></p>	<p><b>76%</b> The recyclability rate was calculated from the recycling rates of each material making up the product based on REEECYLAB tool developed by Ecosystem, for components/materials not covered by the tool, data from the EIME database and the related PSR was taken. If no data was found a conservative assumption was used (0% recyclability).</p>
