Product End-of-Life Instructions

EVLink Wallbox
--- Electric Vehicle charging station
Product overview

Product Range: EVLink Wallbox
Marketing Model/Name: EVH2S3P04K
Size: H x L x D in mm = 480x330x170
Weight in g = 7850

Purpose

The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.

Operations recommended for the end of life treatment

There are several steps to process the products at the end of life so as to recover components, materials or energy:

Reuse → Separation for special treatment → Other dismantling → Shredding

CAUTION:

The components of the products that optimize the recycling performances are listed, identified and located hereunder.
