Product description

Manufacturer identification | Schneider Electric Industries SAS
Brand name | Schneider Electric
Product function | Compact NSXm 160F 4P Earth Leakage Circuit Breaker with electronic Micrologic 4.1 trip unit is designed to provide protection of installation against overloads and short-circuits and provide earth leakage protection in electrical distribution systems with assigned voltage up to 440VAC and rated current up to 160A.
Product reference | LV426728
Total representative product mass | 1619g
Representative product dimensions | 108mm x 144mm x 80mm
Date of information release | 08/2017

Additional information

Legal information | This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.
Recyclability potential | 52% Based on “ECO'DEEE recyclability and recoverability calculation method” (version V1, 20 Sep. 2008 presented to the French Agency for Environment and Energy Management: ADEME).
