Product End of Life Instructions

Complete Illuminated Plastic Button and Switch
### Manufacturer identification

Schneider Electric Industries SAS

### Brand name

Schneider Electric

### Product function

Illuminated complete plastic unit with contact function. It combines simplicity of installation, flexibility, and robustness. It meets the requirements of the majority of industrial applications.

### Product reference

XB5AW34B5

### Total representative product mass

47.6 g

### Date of information release

11/2017

---

### Additional information

#### Legal information

This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.

#### Recyclability potential

37%
