Product End of Life Instructions

IP20 I/O Distributed Optimized TM3 Bus Coupler Module
The TM3BC Bus Coupler is a solution which enables the creation of separate groups of industrial I/Os, each positioned as near to the machine as possible, that are managed by a master controller (PLC, PC or variable speed drive) via a fieldbus or communication network (EtherNet/IP, Modbus TCP, CANopen & Modbus Serial Lien).

TM3BC is IIoT Ready with Web server, Cybersecurity & Plug & Work concept inside. The most compact on the market & simple to integrate, TM3BC reduce the cabling & installation costs.

**Recommendation**
- To be depolluted

**Number on drawing**
- 1

**Component / Material**
- Electronic Board (Power) > 10cm²

**Weight (in g)**
- 40

**Product description**

**Manufacturer identification**
- Schneider Electric Industries SAS

**Brand name**
- Schneider Electric

**Product function**
- The TM3BC Bus Coupler is a solution which enables the creation of separate groups of industrial I/Os, each positioned as near to the machine as possible, that are managed by a master controller (PLC, PC or variable speed drive) via a fieldbus or communication network (EtherNet/IP, Modbus TCP, CANopen & Modbus Serial Lien).
- TM3BC is IIoT Ready with Web server, Cybersecurity & Plug & Work concept inside. The most compact on the market & simple to integrate, TM3BC reduce the cabling & installation costs.

**Product reference**
- TM3BCEIP

**Total representative product mass**
- 90 g

**Representative product dimensions**
- 96.5 mm x 70 mm x 27 mm

**Date of information release**
- 06/2018
### Legal information

This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.

### Recyclability potential
