Other	3	PLASTICS	188.34	
Other	4 & 5	METALS	447.9	

Product description

Manufacturer identification	Schneider Electric Industries SAS
Brand name	Schneider Electric

Product function	<p>Wiser Home Touch is an edge control platform powered by the docking station. Its main function is to control the room temperature with its integrate sensor and to send the heating order by wireless communication.</p> <p>It also allows to :</p> <ul style="list-style-type: none"> • remotely access other devices • manage devices locally • make the bridge between other devices and the cloud (data collection and transmission) <p>The Wiser Home Touch is the brain of the Wiser system. It records the programs and communicates wirelessly with all the elements of the system.</p> <p>It is designed to optimize the consumption of electrical energy (mainly heating consumption). The Wiser Home Touch allows you to control your electrical installation with a computer, smartphone or tablet.</p> <p>It connects to the internet box via a WiFi Ethernet device.</p>
Product reference	CCT501510
Additional similar product references	CCT501510
Total representative product mass	764.193369999998 g
Representative product dimensions	155mm x 113mm x 60mm
Date of information release	04/2018

Additional information

Legal information	This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.	
Recyclability potential	57%	Based on "ECO'DEEE recyclability and recoverability calculation method" (version V1, 20 Sep. 2008 presented to the French Agency for Environment and Energy Management: ADEME).
