

# Product End of Life Instructions

## Spacelogic MP-C Override Display Module

## End of Life Instructions

Recommendation	Number on drawing	Component / Material	Weight (in g)	Comment
To be depolluted	1	Printed Circuit Board Assy	9,13	
To be depolluted	2	LCD module with backlight	7,7	
To be dismantled	3	Plastics/Keypad	14,25	ABS+PC, Silicone

## Product description

Manufacturer identification	Schneider Electric Industries SAS
Brand name	Schneider Electric
Product function	This device is an add-on module for all Spacelogic MP-C devices that will display the status of these devices and will allow manual override. (This document describes the different stages of the product, from manufacturing to its end of life. For its end of life optimization, any dismantling or separation of parts required is carried out as mentioned in the document and in accordance with EU regulations, viz. WEEE)
Product reference	SXWMPCDSP10001
Total representative product mass	32 g
Representative product dimensions	74mm x 46mm x 24mm
Date of information release	2024-10-07

## Additional information

<b>Legal information</b>	This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.
<b>In case of special transportation: transportation method</b>	No
<b>Recyclability potential</b>	<b>0%</b> The recyclability rate was calculated from the recycling rates of each material making up the product based on REEECY'LAB tool developed by Ecosystem, for components/materials not covered by the tool, data from the EIME database and the related PSR was taken. If no data was found a conservative assumption was used (0% recyclability).
