

IT Reseller Partner Guides

Becoming an Edge Computing Specialized Select Partner

1

Log into your partner page at:

apc.com/personalpage

Once registered and logged in, click **MY PROGRAMS:**

2

Select the **>Learn More** in the **Edge Computing** box under the Recommended Program section.

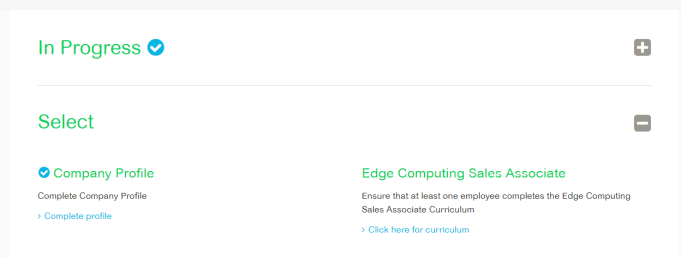

3

Next select **ENROLL TODAY**. On the following page, find your certification and select **> View Program** and go to the **Requirements** tab.

4

Click into the the curriculum link to access the modules. **1 Individual** must complete Select Partner certification.

5

Individuals must **REQUEST** the learning paths, and then Open Curriculum to start the trainings.
