

# Certificate Of Compliance

*This is to certify that the:*

## PacDrive LMC Motion Controller – LMC Eco Controllers

<b>Model Numbers:</b>	LMC100CAA10000	LMC101CAA10000
	LMC106CAA10000	LMC201CAA10000
	LMC212CAA10000	LMC216CAA10000

**Firmware Version:** 1.64.x.y

**Category:** Embedded Device

*Manufactured by:*

### Schneider Electric Automation GmbH

*Is in compliance with the requirements set forth by:*

## Achilles Level I Certification

This certificate is restricted to the specified version of the referenced Device (including model number, hardware/firmware/software version, and control protocols) set forth in this Certificate. Any change to the Device might impair the Device's ability to pass the standards referenced in this Certificate. This Certificate is based upon limited testing, and is not a complete or comprehensive certification of the security of the Device. The Device may contain security vulnerabilities and deficiencies that are not covered by the standards referenced in this Certificate. This Certificate is subject to revocation by GE Digital. More information regarding this Certificate and the Achilles Communications Certification Standard is available at [www.ge.com/digital](http://www.ge.com/digital) and upon request from GE Digital.

CERTIFICATE 519-041421
