The Parts Set contains all parts on the drawing that are connected to the line beginning at “Z”. Parts are not sold separately.
Important notices:

For spare parts supplies for devices with certification resp. for supply of spare parts with certification we only warrant that the supplied spare part in its delivery condition is suitable for the certification as indicated by purchaser. Validity of a certification generally becomes effective after orderly assembly to the complete device. Herefore, we do not assume any guarantee. For the repair and change of explosionproof devices, the national regulations have to be observed.

Repair and maintenance must be carried out by qualified personnel!
