Notes :

- The above Financial Results were reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on June 23, 2021.
- These financial results of the Company have been prepared in accordance with the Indian Accounting Standards (IND AS) as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act 2013 read with rule 3 of the Companies (Indian Accounting Standard) rules, 2015, Companies (Indian Accounting Standards) amendment rules 2016 and in terms of regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, SEBI Circular No. CIR/CFD/CDM/144/2019 dated March 29, 2019 and other accounting principles generally accepted in India.
- The Chief Operating Decision Maker "CODM" reviews the operations of the Company as a whole, i.e. single primary business segment viz. product and systems for electricity distribution, hence, there are no reportable segments as per Ind AS 108 "Operating Segments".
- Exceptional items represent expenses incurred towards organizational restructuring for improving efficiency in line with change in product lines and related employees settlement cost.
- The global pandemic outbreak had impacted the Company's business in early part of the financial year 2020-2021. However, the Company has been able to recover the business during the course of the year. Basis the assessments and valuations of current assets as on the date of reporting, the Company does not anticipate any material impact emanating from the non-recoverability of the carrying values of those assets. The management has also estimated future cash flows for the Company and believes that there is no impact on its ability to continue as going concern and meeting its liabilities as and when they fall due. However, considering the unpredictability of the pandemic and inherent uncertainty on the potential future impact of the COVID 19 pandemic, the Company's financial statements may differ from that estimated as on the date of approval of these financial results.
- As at the end of year, the Company has total accumulated losses aggregating to MINR 3,565.71 which has resulted in substantial erosion of Company's net worth. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. However, the management has evaluated availability of sufficient funding to meet Company's obligations and for such evaluation, the management has considered various factors which include estimated future cash flows, availability of working capital facilities sanctioned by the banks and borrowings sourced from group companies. Basis such evaluation, the management is confident that the Company will be able to realise its assets and discharge its liabilities in the normal course of business. Therefore, these financial results have been prepared based on going concern assumption.
- The figures of the quarter ended March 31, 2021 are the balancing figures between audited figures in respect of the full financial year up to March 31, 2021 and the unaudited published year-to-date figures up to December 31, 2020, being the date of the end of the third quarter of the financial year which were subjected to limited review.
- Prior period figures have been reclassified/regrouped wherever necessary, to correspond with those of the current period classification.
- Refer Annexure A for Statement of Assets and Liabilities and Annexure B for Cash flow statement.

Report on the Audit of Financial Results

Opinion

We have audited the Financial Results of **Schneider Electric Infrastructure Limited** ("the Company") for the year ended March 31, 2021 included in the accompanying 'Statement of Financial Results for the quarter and year ended March 31, 2021' ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- i. is presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- ii. gives a true and fair view in conformity with the applicable Indian Accounting Standards prescribed under Section 133 of the Companies Act 2013 ("the Act") read with relevant rules issued thereunder and other accounting principles generally accepted in India, of the net loss and total comprehensive income and other financial information of the Company for the year ended March 31, 2021.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Statement* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

We draw attention to Note 6 of the Statement, which indicate that the Company has accumulated losses which has resulted in substantial erosion of Company's net worth. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. Our opinion is not modified in respect to this matter.

Emphasis of Matter Paragraph

We draw attention to Note 5 of the statement, which describes the management's assessment of the impact of uncertainties related to Covid-19 pandemic on the Company's Operations. Our opinion is not modified in respect of this matter.

Management's Responsibilities for the Statement

This Statement has been prepared on the basis of the annual financial statements. The Company's Board of Directors are responsible for the preparation and presentation of the Statement that give a true and fair view of the net profit including total comprehensive income and other financial information of the Company in accordance with the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities for the Audit of the Statement

Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
