- Dimensions of the product are 675mm (length) x 96mm (width) x 116mm (height).
- The product is designed for a maximum operating temperature of -15 to +50°C.
- The CRI (Color Rendering Index) is greater than 80, ensuring accurate color representation.
- The weight of the product is 1.6Kg.
- The material used is Polycarbonate, known for its durability and resistance to UV degradation.
- The lifespan of the product, under normal conditions, is approximately 50,000 hours.
- The lumens output exceeds 900lm, providing ample light for the intended application.
- The product is non-dimmable, meaning it cannot be adjusted in brightness.

5.0 Warranty

1. The benefits conferred herein are in addition to and in no way shall be deemed to derogate; either expressly or by implication, any or all other rights and remedies in respect to the Clipsal by Schneider Electric product, which the consumer has under the Commonwealth Trade Practices Act or any other similar State or Territory Laws.

2. The warrantor is Schneider Electric of 33-37 Port Wakefield Road, Gepps Cross, South Australia 5094. With registered offices in all Australian states.

3. This Clipsal by Schneider Electric product is guaranteed against faulty workmanship and materials for a period of three (3) years from the date of installation.

4. Schneider Electric reserves the right, at its discretion, to either repair free of parts and labour charges, replace or offer refund in respect to any article found to be faulty due to materials, parts or workmanship.

5. This warranty is expressly subject to the Clipsal by Schneider Electric product being installed, wired, rested, operated and used in accordance with the manufacturer's instructions.

6. All costs of a claim shall be met by Schneider Electric, however should the product that is the subject to the claim be found to be in good working order all such costs shall be met by the claimant.

7. When making a claim the consumer shall forward the Clipsal by Schneider Electric product to the nearest office of Schneider Electric with adequate particulars of the defect within 28 days of the fault occurring. The product should be returned securely packed, complete with details of the date and place of purchase, description of load, and circumstances of malfunction.
