4.0 Requirements

The successful performance of the activities defined is based on the following requirements:

- Schneider Electric will perform all services during the regular business hours (Monday through Friday from 8:00 AM to 5:00 PM, local time, exclusive of holidays).
- The customer will designate a project lead to coordinate custom development requirement and information sharing with Schneider Electric.
- The customer will provide Schneider Electric with a clear and accurate description of purpose and technical information.
- Performance Period – The performance period for this service will be the 12 months following receipt of a purchase order. All time and funds in this project must be exhausted during the Performance Period. Time and funds will not roll over into the next 12 months, and after the Performance Period ends, all time and funds will be forfeited.
- Guidance – Customer to provide guidance to Schneider Electric on the services being requested.

5.0 Exclusions

The successful performance of the activities defined is based on the following exclusions:

- Schneider Electric will not provide more than 15 hours of custom software development.
- Schneider Electric will not perform any on-site work.
- Schneider Electric will not perform programming in any language other than English.
6.0 Scope of Responsibility

The scope of responsibility will be associated with the individual service activities outlined in the respective statement of work.

7.0 Project Work Details

7.1 SCHEDULE
