

强制性认证目录外产品确认书

Confirmation Letter for Products Outside the scope of China Certificate

下述产品不在中国强制性产品认证目录内。

Below product does not correspond with Catalogue of Products Subject to CCC.

产品名称/ Product name	型号/ Models	参考HS编号/ Reference HS code	产品标准/ standard
可带测量及开关功能的支架式 电力分配系统/ Rack Power Distribution Unit- Basic, Metered, Switched	AP95XX	853710	IEC62368

注意：型号名可能追加字母或/以及数字，该型号对安全无影响。

Note: Models may be followed by any additional number(s) or/and letter(s), denoting non-safety related options.

产品描述（包括适用场所） Product Description(utilization of product):

该产品为电源配电单元，用于服务器室和布线柜，可远程控制电源开关及工作电流测量。

All of the products are power distribution unit used for Server Rooms and Wiring Closets.

The products are power distribution units with outlet remote power on/off control, and active current measurements.

确认意见 Conclusion:

基于产品描述，上述型号的带测量及开关功能的支架式电力分配系统不在目前的中国强制性产品目录内。

According to the product description, we declare above product does not correspond with Catalog of Products Subject to CCC.
