THE LISSE DECO RANGE

A masterpiece for your walls

Introducing the finest new addition for your home and office – Lisse Deco. With its sleek design and uber-stylish finish, this comprehensive range of switches perfectly complements the modern interiors of your space.

Beauty in every detail

Choose from a fresh palette of attractive metal finishes that bring a new dimension of style and elegance to your home, hotel, or commercial space. Thoughtfully designed to enable seamless installations and sturdily built to stand the test of time, this range of electrical accessories offer you efficiency and understated glamour that is a class apart.

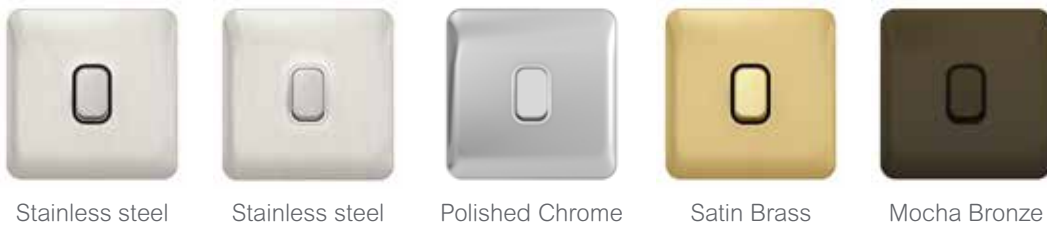

Extensive applications:

From commercial properties to your private home, Lisse Deco boasts of an extensive range of products for every kind of space. Our range of electrical accessories include switches, socket outlets, and LED dimmers that fit seamlessly into your homes. Combined USB sockets and flexible multimedia options offer delightful convenience in hotel rooms. And other products like shaver sockets, data, media, audio, and USB outlets, grid systems, and will suit your every need and requirement.

Smart by design

No visible screws: Lisse Deco range is cleverly designed to conceal screws with a unique screwless plate that snaps into place seamlessly over the base unit. The detachable plate makes painting and décor work easy and convenient.

Stylish metal finishing in four colors: Enjoy a variety of décor options with a unique metallic range of finishes.

Contemporary contours with metal rockers: The gently curved edges of the panels soften the lines of a room, adding a touch of class to your interiors. Products also come with gently rounded metal switches that complement the contour of the products.

Ease of installation: The smart design of the Lisse Deco range goes a long way to simplify the installation process. Base units are fitted with large angled terminals that can accommodate up to 3x 2.5mm² cables, while a strip length indicator facilitates hassle-free wiring. With backed out and upward facing captive terminal screws as well as a discreet clip-on mechanism, the Lisse Deco range enables quick and easy installation, making it an ideal time-saving solution.

Smarter accessories: Customise your space with innovative elegance. Lisse Deco accessories include integrated key hooks, clip-on extensions, and phone charging shelves. With a range that's both stylish and practical, the choice is yours.
