# EcoStruxure™ Facility Expert – designed to keep you in touch.

**Say goodbye** to paperwork, outdated files, conflicting information, unclear roles and responsibilities.

**Say hello** to extended insights, easier maintenance, greater productivity and information at your fingertips.

Because now, your electrical system becomes your partner with a simple QR code. Connect with the community of stakeholders along your electrical panels lifecycle through **EcoStruxure™ Facility Expert** - an easy to use digital tool that keeps record of important documentation and maintenance schedules so you can collaborate like never before.

## Collaborate and deliver!

- **Group** user manuals, single-line drawings, photos, factory and site acceptance test reports, spare parts lists and more behind a simple QR code. Toss the papers!
- **Free collaborative digital tool** enables you to share information with your partners and customers. Get things organized to achieve a common goal.

## Simplify and improve maintenance!

- **Ease the set up of preventive maintenance plans** thanks to auto-generated maintenance templates.
- **Streamline maintenance and operation** by assigning tasks and centralizing maintenance schedules, logs and reports.
- **Leverage your digital community** to solve issues quickly. Keep your electrical installation healthy and maximize its life.
