

A new choice: EcoStruxure™ Outcomes

Secure Power as a service

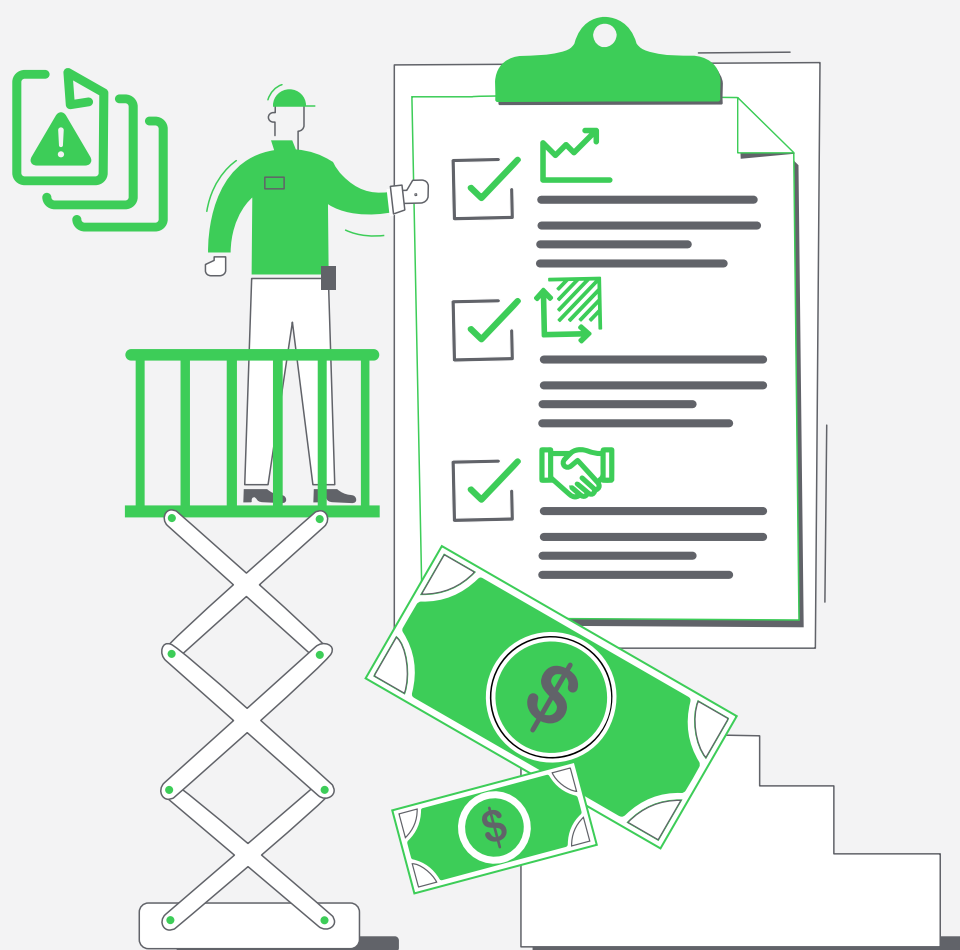

The Secure Power experience you want!

- Peace of mind for the business (availability)
- Protection of data, IT & electrical assets

Option 1: Own and operate a UPS

- It's an upfront capital investment
- Spare capacity by design for future requirements
- It's an operational commitment

Option 2: Outcome as a service

- No upfront investment
- You pay for what you use, when you use it
- It's a fully managed, digitally enabled experience

Now with Schneider Electric you can choose the option that works best for you!
