Asfora delivers everything today's wiring devices should. The sleek, elegant design harmonizes perfectly with virtually any interior. Much like your favorite fashion accessory, Asfora is the final touch that says "you."

As pleasing to the touch as they are to the eye, Asfora products are made from high-quality materials that won't yellow over time.

And, with a range of functions designed for your comfort, Asfora keeps delivering performance day in, day out.

When it comes to reliable wiring devices for your home, Asfora is quite simply the right choice at the right price.

Enhance your home's interior, everyday!

Get the most out of your home by creating lighting ambiances for each room and each time of day. With the right lighting, your home's interior will take on a whole new dimension.

P132573_end

Roller blinds

Adjust your room's natural light according to the weather and your mood.

P132575_end

Switch with locator lamp

Find your light switches easily in the dark.

P132657_end

Dimmer switch

Create just the right ambiance the easy way.

Save energy

- Switching lights off when not in use can cut energy costs by up to 20%.
- Letting in natural sunlight can help you lower heating costs. A difference of just one degree can shave 5% off your electric heating bill.

Switches with icons

See which switch goes with what at a glance and avoid turning on the lights for the hallway instead of the stairs, for example.
