

NetShelter CX

Rack PDU compatibility

Additional power distribution options for your integrated office/home environments:

All NetShelter CX come complete with a basic PDU (**AR4018A/24A/38A, ***AR4018IA/24IA/38IA). APC also provides a wide array of additional power distribution solutions. From additional basic PDUs to options for remote monitoring and/or outlet switching, all your NetShelter CX power distribution needs are covered.
