

A beautiful face that endears and endures

With its ultra-clean lines, sleekly chic square profile and instantly identifiable round dolly, ULTI blends two contrasting geometries to create modern simplicity of unprecedented freshness.

The design overcomes the clutter of a large central mechanism or the redundant lines of a surround frame. It results in maximum scope to showcase the synergy of color, material and finish in a standard-sized wall plate.

Adding the final touch, ring-shaped LED locators glow pleasingly to guide you to your switches at night.
