Schneider Electric is the global specialist in energy management and automation. With revenues of ~€27 billion in FY2015, our 160,000+ employees serve customers in over 100 countries, helping them to manage their energy and process in ways that are safe, reliable, efficient and sustainable. From the simplest of switches to complex operational systems, our technology, software and services improve the way our customers manage and automate their operations. Our connected technologies reshape industries, transform cities and enrich lives.

At Schneider Electric, we call the Life Is On.

Vivace

Inspired by the influential Bauhaus movement, Vivace expresses a pleasing form follows function. With a slim and thin profile, the sleek clean lines and subtle curves manifest an art of simplicity, elegant minimalism. Every piece in this robustly constructed range sits perfectly within the context of any modern interior design.

Vivace, a style of modern simplicity that is always within your reach.

Express my style.
