

## APC SurgeArrest Home/Office PM1W-VN & PM1WU2-VN

\*PM1WU2-VN

### Reliable and Safe Protection

Lightning and power surges can destroy unprotected electronic equipment. Voltage fluctuations can cause keyboard lockups, loss of work and will degrade electronics over time.

The new APC SurgeArrest PM1 series is guaranteed to protect your home and office electronics from the constant threat of dangerous power disturbances.

The PM1WU2-VN offers 2 USB ports for safe charging of all USB enabled devices, including smartphones, tablets, and digital cameras.

### 2 USB Ports (PM1WU2-VN)

Provides 2.4A of convenient charging power for your mobile devices including tablets. Smart charging recognizes your devices and maximizes charging speed.

### Multi-stage surge protection

circuitry ensures protection is guaranteed for life. All three power modes (L-N, L-G, N-G) are protected

### EMI/RFI noise filter

protects from electromagnetic and radio frequency interference, specifically valuable for maintaining AV quality and preventing keyboard lockups

### Children safety shutters

Protect users from accidental contact with unused outlets

### Surge Protection LED

Illuminates when the APC SurgeArrest is on and supplying conditioned utility power to the plugged-in equipment

# APC SurgeArrest Home/Office

## PM1W-VN & PM1WU2-VN Technical Specifications

General	PM1W-VN	PM1WU2-VN
Input Voltage	220V	
Input Frequency	50/60 +/- 5 Hz	
Socket type	NEMA Universal	
Maximum line current per phase	10A	
Color	White	
USB Output	X	2 port (2.4A with smart charging)
Surge Protection		
Joule Rating	918 Joules	
EMI/RFI noise reduction	<30 db	
Physical		
Unit Dimension (LxWxH)	100 x 63 x 41.5 mm	
Unit Weight	0.1 kg	0.14 kg
Shipping Dimensions (LxWxH)	106 x 88 x 70 mm	
Shipping Weight	0.14 kg	0.18 kg
Management		
Surge Protection LED	Yes	
Warranty and Compliance		
Warranty	10 Years
