

Ultimate

Ultimate

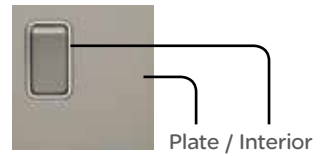

An Epitome of Cool Elegance

Stylishly crafted with 3mm thin genuine metal plates, Ultimate packs luxury and sophistication into a super slim form factor. Its unique design cleverly hides the screws, yet avoids complicated surrounds. This elegant minimalist is the toast of interior design gurus.

As durable as it is refined, Ultimate faceplate is supported by tough stainless steel base to offer excellent mechanical strength and help preventing deformation upon installation. Sprayed with high quality decorative paint to resist scratching and rusting, thus keeping the switch new at all times.

Ultimate is a must-have to add understated lux in contemporary interior.
