Technical data

Type designation	STF-16, T16G
Rated voltage (V)	230
Rated current (A)	16
Frequency (Hz)	50
Relay	1E5 micro-disconnection
Switch	5E4 full-disconnection
Features of automatic action	Type 1
Construction	For flush mounting
Resistance to heat and fire	Category D
Class	II
IP-Class	20
Brand name:	Schneider Electric (STF-16), ELKO (T16G)
Product information	For use in normal pollution situations. 10T30, PTI250

Manufacturing site(s) Lexel Fabrika, SIA
Krustpils 35a
LV-1073 Riga
LATVIA

According to the principle of presumption of conformity, this certificate, which includes production control, constitutes support for an EC Declaration of Conformity and CE marking according to the Low Voltage Directive 2014/35/EU.

This presumption can expire before end of validity of this certificate due to new issued Standard or Amendment and changes within the EU legislation.

This Certificate is for the exclusive use of Intertek's Client and is provided pursuant to the Certification agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this certificate. Only the Client is authorized to permit copying or distribution of this certificate and then only in its entirety. Use of Intertek's Certification mark is restricted to the conditions laid out in the agreement. Any further use of the Intertek name for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. Initial Factory Assessments and Follow up Services are for the purpose of assuring appropriate usage of the Certification mark in accordance with the agreement, they are not for the purposes of production quality control and do not relieve the Client of their obligations in this respect.

Intertek
Appendix

Reference No. 1716800

This certificate is based on a certificate with ref. No. NCS/FI 30060 dated 18 August 2018, issued by Fimko according to the Nordic Certification Service Agreement.

This certificate replaces previously issued ref. No. 1222606 dated 7 November 2012.
A new certificate has been issued on account of changed address of the manufacturing site and updated standard.

Intertek S Mark Certificate with No. 1716800

We are pleased to enclose the Intertek S Mark Certificate you have applied for.

Thank You for S Marking your Products!

You have taken the first step to S Mark, but have you taken the next step by letting your customers know about your investment? When you use the S Mark in your marketing you are making clear that your company is truly committed to quality and safety. Positioning and differentiate yourself as a company which is dedicated to safety enables you to increase your sales – because in Europe safety sells.

The S Mark is highly recognized among retailers and authorities since 1926.

The S Mark also strengthens your brand by signaling that safety is important to your company and that you care about the safety of your clients. Since we value you as a customer we want to make sure you are getting the best value out of the S Mark. Many of our customers are already using the S Mark in their marketing. Popular media to use the mark is in campaigns, on packaging and in product catalogues. To find out more and to download tools, please visit <http://www.intertek.com/marks/s/>

If you have any questions don't hesitate to contact us at info-sweden@intertek.com

Additional part of the certification

In addition to your product certification, we are conducting inspections at your manufacturing site/s. The inspections are carried out by our inspectors or subcontractors. For details of the technical requirements for these inspections, please visit: <http://client-webex.intertek.com/europeinspection>

Your success is important to us!

Best Regards,

Fredrik Wennersten
Vice President
NCB Sweden
