

Product	Frames for switches and socket-outlets for electrical installations
Applicant	Schneider Electric Industries SAS 35 rue Joseph Monier FR 92506 Rueil-Malmaison Cedex France
Manufacturer	Schneider Electric Industries SAS 35 rue Joseph Monier FR 92506 Rueil-Malmaison Cedex France
Factory	Strömfors Electric Oy Ahlströmintie 1 FI-07970 STRÖMFORS Finland <input type="checkbox"/> See next page(s)
Ratings	
Trade mark	
Model / Type Ref.	BBV495..
Principal characteristics	<input type="checkbox"/> See next page(s)
A sample of the product was tested and found to be in conformity with	INST EN 60669-1:1999;A1;A2 NEK-IEC 60884-1:2002;am1 and NEK 502:2006
Validity	This certificate documents conformity with the standards shown, and also applies as license for use of Nemkos name and certification mark. The certificate and license is valid as long as the applicable conditions are complied with, and provided that any changes to the product are notified to Nemko for acceptance prior to implementation. New standards or amendments to the standards may imply that the product design must be updated and/or that re-testing and re-certification is necessary.
Additional information	Frames for switches and socket-outlets for electrical installations for Aurora design series. Additional information see appendix <input type="checkbox"/> See next page(s)
Additional model(s)	<input checked="" type="checkbox"/> See next page(s)
