Schneider Electric, IT Division
132 Fairgrounds Rd.
West Kingston, RI 02892

Attn: Scott San Antonio, Global Alliance Director, IoT and Edge Compute

Dear Mr. San Antonio:

Congratulations on the results of Schneider Electric's recent test report!

Based on the results you provided, Cisco is pleased to confirm that Cisco's Limited Warranty on its Cisco Unified Computing System (UCS) will apply to Cisco UCS products pre-integrated and shipped with Schneider Electric's NetShelter CX AR4018n and AR4024n secure soundproof server room series box enclosures, provided that installations are in accordance with Cisco's pre-racking guidelines: Integrating UCS Components in the Dynamic Rack

https://www.cisco.com/c/en/us/td/docs/unified_computing/ucs/R_Series_Racks/Cisco_R42612_Rack_and_PDU_Installation_Guide/Cisco_R42612_Rack_and_PDU_Installation_Guide_appendix_01000.pdf

According to Cisco's Limited Warranty terms and conditions, Cisco provides a three (3) year warranty on products, and a ninety (90) day warranty on related Cisco software. Such warranties may, however, be deemed voided if it is later determined that integration was improperly completed.

We look forward to further joint success with Schneider Electric.

Best Regards,

A handwritten signature in blue ink, appearing to read "Arvie Martin".

Arvie Martin
Director, UCS Product Management
